Synchronized swimming is a unique combination of swimming, dance, and gymnastics all done in the water with music. Come and learn the basics of synchronized swimming with **national champions!**

Spend all week with Coach Jaime and other aspiring Aqua Stars! These are independent sessions that you can take individually. At the end of each session you will perform a routine to music for your family and friends. Take additional sessions, and Coach Jamie will teach you even more! By the end of the summer, you could be a Star in any pool you jump into. So escape the heat of the summer by having fun, making new friends, and learning how the champions swim! Wear a **comfortable swim suit** and bring a **towel, goggles, and water bottle**. It helps to pull long hair into a pony tail.

Don't forget your **SUNSCREEN!**

Bring a Friend!

This clinic is offered under the direction of **Head Coach Jill Parr,**
2008 West Zone Coach of the Year,
2009 13-15 National Team Assistant Coach,
2010 Junior Team Developmental Coach of the Year.
